### Shore up Japan's weakened health care system

#### Shore up Japan's weakened health care system | The Japan Times

As we enter the second month in a state of emergency, the COVID-19 crisis has exposed the fragility of Japan's health care system. Its capacity has been strained to the brink of breaking down amid the surge of infections and patients with grave symptoms. The government needs to learn from the current pandemic to reassess the state of the nation's medical services and rebuild their resiliency to crises.

### Distant dreams of a stimulus

#### Distant dreams of a stimulus

A warped doctrine of self-reliance, a roundabout way of reinventing the worst elements of the licensing raj system and a stab at corporatizing farm trade are the three bad ideas embedded in the Narendra Modi government's 'pretend' stimulus plan to revive an economy that many believe stands on the brink of recession.

#### If there is no additional borrowing, there can be no additional expenditure, no fiscal stimulus

On May 12, the Prime Minister grabbed the headline with the announcement of a Rs 20 lakh crore Economic Stimulus Package - but left the page blank! Beginning May 13, the Finance Minister started giving out the 'details' of the package. The people left fuming were the farmers; migrants; and workers.
