#### Centre's Covid-19 report card: It recognised the threat, but slipped on migrants, economy

editorials Updated: May 20, 2020 05:37 IST Fifty-five days after India went in for arguably the most stringent lockdown in the world, the country opened up substantially on Tuesday, though the lockdown has been officially extended to May 31. This is a good moment to evaluate what the Centre did right, and what it got wrong in this period.
