#### WEF address

In his video-link address to the World Economic Forum (WEF), Prime Minister Imran Khan has rightly highlighted the importance of a global response to defeat the novel coronavirus. He termed Covid-19 a challenge for the entire world, in which the affected countries have become insular and have started looking inside rather than making coordinated efforts.

## SWOTing the situation

### SWOTing the situation

The coronavirus pandemic has shuttered educational institutions across the globe. Closure of schools, colleges and universities, shutdown of routine life of students and teachers, disruptions in education and the education ministry remaining incommunicado, have created an unprecedented situation and thrown many unexpected challenges to administrators, educators, teachers, parents and students.
